Normal fee \$770 incl GST.

Maximise your cash flow with a BMT Tax Depreciation Schedule

Including depreciation in your calculations is an easy and detailed way to determine the affordability of your next investment property. Investors often fail to consider the financial benefit of claiming depreciation prior to making their purchase.

What is depreciation?

Depreciation is the natural wear and tear that occurs to a building and its assets over time. The Australian Taxation Office allows owners of income-producing properties to claim this depreciation as a tax deduction.

Experts see the dollars you don't

BMT Tax Depreciation is the most trusted depreciation specialist in Australia. To assist you in your purchase decision, BMT can provide a complimentary estimate of the depreciation deductions available on a proposed or new investment property.

Depreciation facts:

The one-off schedule fee is 100% tax deductible, and your schedule lasts a lifetime

BMT found client an average of almost \$9,000 in first full financial year deductions last financial year

BMT guarantee to find double their fee in deductions in the first full financial year or there will be no charge for their services

BMT work with your preferred accountant to maximise your tax deductions
