

MRP Pest Control

Maxwell Robinson & Phelps (MRP) are specialists in Environmentally Aware Pest, Weed and Termite Control.

MRP are WA owned and family operated business servicing both commercial and domestic clients since 1949. We are serious about our responsibility in caring for the environment and work with you to ensure the lowest environmental impact is made whilst ridding your property of pests and weeds - creating a clean and safe environment all year round.

Our exceptional team of Technicians are fully insured, Western Australian Health Department licensed and Federal Police checked.

MRP Pest Control in conjunction with Finbar are proud to offer Loyalty Club Members a 15% discount off our standard pricing for all pests.

Common pests that we treat include:

- Ants
- Bees
- Weeds
- Rodents
- Spiders
- Possums
- Mosquitos
- Termites
- Cockroaches
- Fleas
- Ticks

All works are warranted and we offer an Unconditional Money Back Guarantee – If you're ever dissatisfied with MRP's services.

As commonly required by Property Managers, we can also complete a vermin (flea/tick) treatment upon vacating a rental property.

We are happy to answer any enquiries and provide an obligation free quote - just mention Finbar to receive the 10% discount!
