

# INNER SPICE

## Experience Spice, Culture & Wellness

Meet Spice Alchemist and founder of Inner Spice, Rutchi, as she whisks you away on sensory journeys across the world with her corporate wellbeing workshops, group classes, and private events!

Learn, laugh, and connect in these interactive, activity filled, unique experiences where you'll indulge in spice tastings, unique tapas dishes, cultural conversations, and gain guidance on health and wellness through spices.

Inner Spice also stocks beautifully handcrafted wooden spice storage boxes and a range of seasonal spice blends!
