

Furniture Fitouts

SIMPLE SOLUTIONS

CIVIC
HEART

SOUTH PERTH

Furniture Fitouts provides a “one- stop shop” service for investors and owner-occupiers who want a complete or partial fitout of their apartment, house or unit in Perth and throughout Australia. We take all the hassle out of the process so that you don't have to deal with several different suppliers, selecting each item, multiple deliveries, assembling furniture and removing packaging. We work alongside and in conjunction with Finbar to ensure their Loyalty Club Members receive the best possible buying experience.

For one, all-inclusive fee, Furniture Fitouts will supply, load in and assemble all the furniture required to fit out your property. We attend site to receive delivery of all items, arrange and style your property and remove and recycle all rubbish and packaging so that, within no more than 3 days of the fitout start date (often less), your property will be completely fitted out, clean and ready to either move into or place on the rental market.

Everything from cutlery and crockery to furniture and electrical goods can be supplied and fitted, leaving you to simply enjoy your new home or reap the rewards of your investment.

Our team are dedicated in listening and helping to create a unique space for you. Our services range from cost effective options to fully bespoke and customised packages. We are flexible and can provide either fully equipped furniture packages or part packages using specific items that you may request.

Our quotes on the following pages are examples of Investor Level Packages, and are fully customisable to suit your budget and requirements.
